Holland Landing Gear Offerings— ON SALE now at CRW Parts!

Good Landing Gear $299.99

PART #LG2T01-70

CLASSIC

GOOD

Positioned as the good model for reliability and value. It still includes the Constant Mesh gearbox and the exclusive FloatingNut™ feature found in the Altas™ 55 model but has limited options while meeting most standard replacement applications.

CAPACITY		OPTIONS
Ultimate Load Capacity	140,000 lbs.	Low Profile Sandshoe
Lift Capacity	39,000 lbs.	Westran Removable Cushion Foot
Turns Per Inch	High Gear 3.2, Low Gear 19.3	
Side Load Capacity	27,000 lbs.	
Floating Nut Design	Yes	

Availability: Container load quantity only. Must be same part number in skid quantity to create a container load.

Better Landing Gear $349.99

PART #LG4001-70A

ATLAS™ 55

BETTER

The Holland Atlas™ 55 Landing Gear is positioned as the better model for standard duty applications. From the smooth shifting and reliability of the patented Constant Mesh gearbox design, to the durability and toughness of the exclusive FloatingNut™ with Twin-Bulkhead construction. Available with optional, corrosion resistant Black Armour treatment.

CAPACITY		OPTIONS
Ultimate Load Capacity	170,000 lbs.	Black Armour
Lift Capacity	55,000 lbs.	Low Profile Sandshoe
Turns Per Inch	High Gear 4.5, Low Gear 38.7	Heavy Duty Sandshoe
Side Load Capacity	30,000 lbs.	Removable Cushion Foot
Floating Nut Design	Yes	

Availability: Truck load quantity, skid quantity, and individually. Shipped from Warrenton, Missouri.

Best Landing Gear $499.99

LGS4A105 - SQUARE FOOT
LG3A001 - ROUND FOOT

MARK V

BEST

Still positioned as the best overall landing gear model, the Mark V is suitable for all standard and heavy duty applications. Unsurpassed features ensure that the Mark V delivers the absolute best in Holland landing gear. In addition, a heavy duty version is also available for severe duty applications.

CAPACITY		OPTIONS
Ultimate Load Capacity	200,000 lbs.	No Lube
Lift Capacity	62,500 lbs.	Low Profile Sandshoe
Turns Per Inch	High Gear 2.5, Low Gear 33.8	Heavy Duty 12″ x 17″ Sandshoe
Side Load Capacity	32,000 lbs.	Self-Leveling Foot
Floating Nut Design	No	Removable Cushion Foot

Availability: Truck load quantity, skid quantity, and individually. Shipped from Woodstock, Ontario. A limited number of variations, in limited quantities, are available from our Warrenton, Missouri facility.

Just because it fits, doesn't make it right.

Don't risk losing performance with a misfit fifth wheel top plate!

Priced lower than will-fit, the HOLLAND FWS1 makes best replacement sense.

$575 EA

Holland

When you pick your horse, make sure you go with the thoroughbred for a winning performance.

The FWS1 is engineered to meet OEM quality expectations, and priced lower than the will-fit. Be sure to always ask for the perfect fit—the HOLLAND FWS1 fifth wheel.

GENUINE!
$100 LESS!
FITS CORRECTLY!
